**NEU & WDCU at Historic Valley Campground, North Adams, MA**

Join the NEU and WDCU for a joint rally on Memorial Day weekend, May 28-31, 2010.

Make this long weekend relaxing and an adventure. Make it what you like. You can explore the Berkshires and southern Vermont. Hiking, biking, boating, touring, tasting, exploring... It will be a chance to discover western MA and southern VT.

Our campground is owned by the city of North Adams and located on a lake and near the downtown. Shopping, museums, restaurants and the landscape are all available to you. You are free to explore on your own or join with members of the group. Your hosts will be traveling out to hike, visit the Hancock Shaker Museum, to name just a few places.

We will have a rally packet with brochures of local activities and events which you will receive upon your arrival. We will also have a website with rally information, registration form and links to much in the area so that you can plan ahead.
