**Campground Reservations:** Use their on-line service: "ReserveAmerica.com" On the website enter "Bull Run Regional Park" to select and reserve a campsite. You can call the park directly: (703) 631-0550. Tell them you are part of the "WDCU Airstream group." The fee varies with location and hook-ups.

Mary-Lou reserved site #4 and John reserved site # 20

A pdf of the Campground Map is attached:

**Theme:** Members Helping Members

- Maintenance work will be on Friday and Saturday (April 28 & 29.)
- Friday morning: We will lead an open round-table discussion focusing on maintenance.
- Let John DiBella know ahead of time what problems or concerns you have with your Airstream. Experienced members can advise or help you repair most problem areas. You should have basic tools and spare or replacement parts. There is an RV service center and an RV dealer not far away in Manassas.
- Bring your gently used Airstream and RV surplus and spare parts that you would like to sell or trade.
- What we plan to cover:
  - o **Propane** – supply tanks, regulators, leaks, fittings and proper operation of appliances;
  - o **Electrical** – battery check, appliances, power jacks, breakaway switch, lighting and all connections;
  - o **Cleaning and Lubrication** -wheels, locks, door hinges, awnings, rubber gaskets & seals, all moving parts and replace filters, etc.;
  - o **Safety** - proper hitch set-up, torque of bolts and ball and wheel nuts, brakes, and brake controller;
  - o **Checklists** - for Trailer Maintenance, Hitching, Towing Safely, Water Tanks, and De-winterizing

**Food:** A continental breakfast will be served Friday, Saturday and Sunday. Friday night will be potluck. This is a good opportunity to practice you Dutch oven cooking on Friday (and probably Saturday) as well. Saturday main dish will be provided, so please bring a side dish or dessert to share. Meals will be in the nearby picnic pavilion which has been rented for our use all day Friday and Saturday.
