PRESIDENT'S LETTER – Linda Moore

Hello Members and Affiliates,

What a cruel trick Mother Nature has given us. Five inches of snow last week just when we are all getting ready for our first camping trip of 2016. Now if it would just warm up!

IT IS TIME TO RALLY!

The CKR Maintenance Rally is next week and is being held in the beautiful historic area of Manassas, VA. It is a reserve your own site with a kitty fee to cover continental breakfast. John DiBella has sent out lots of info to the people that are coming. See you next week!

Michael Vallen has sent out information about the Spring Rally. Please contact him as soon as possible if you are planning on attending. If there is not enough interest, this rally may be canceled.

Region 2 Rally has changed location. If you are planning on attending I will attach the email from the Region 2 President.

The Monticello Rally is half full. Please contact me if you plan on attending. Please don't call the campground as I have reserved the sites already. I will be releasing the sites not filled by the end of May. Location address and GPS on the rally list and the flyer.

The Finger Lakes flyer is at the end of the newsletter also. The type of rally for this one is a week long, but you don't need to stay for a week. It is a WDCU laid back rally similar to the Outer Banks rallies we used to have, in an equally beautiful area of NY state and it easier to get to for us New Englanders.

Info for each of these rallies is at the end of the newsletter. More rally information will be forthcoming so please stay tuned to the newsletter and the website. Please take a look at your schedule and start planning now, if you haven't already.

Linda

CALL FOR RALLY HOSTS and CO-HOSTS

If you have a great location or event in mind that would make a great rally, for this year or next, please contact lindamoorenh@comcast.net or any of the officers. Don't be shy. If you are fearful of hosting a Rally, there are many of us that can lend a hand; you don't need to go it alone. We all want the same thing, adventure, meet new people and have fun. The schedule for any Rally can be as stringent or as loose as you want, if it is your Rally, it is your prerogative. If you would like to co-host a rally, that would be great way to get the feel of it. Just let us know.

Theme: Members Helping Members

- Maintenance work will be on Friday and Saturday (April 22 & 23.)
- Friday morning: We will lead an open round-table discussion focusing on maintenance.

- Let John DiBella know ahead of time, if possible, what problems or concerns you have with your Airstream. Experienced members can advise or help you repair most problem areas. You should have basic tools and spare or replacement parts. There is an RV service center and an RV dealer not far away in Manassas.
- Bring your gently used Airstream and RV surplus and spare parts that you would like to sell or trade.
- What we plan to cover:
 - **Propane** – supply tanks, regulators, leaks, fittings and proper operation of appliances;
 - **Electrical** – battery check, appliances, power jacks, breakaway switch, lighting and all connections;
 - **Cleaning and Lubrication** -wheels, locks, door hinges, awnings, rubber gaskets & seals, all moving parts and replace filters, etc.;
 - **Safety** - proper hitch set-up, torque of bolts and ball and wheel nuts, brakes, and brake controller;
 - **Checklists** - for Trailer Maintenance, Hitching, Towing Safely, Water Tanks, Winterizing and De-winterizing

Food: A continental breakfast will be served Friday, Saturday and Sunday. Friday night will be potluck. This is a good opportunity to practice you Dutch oven cooking on Friday (and probably Saturday) as well. Saturday, roast chicken will be provided, so please bring a side dish or dessert to share. Meals will be in the Pavilion. The pavilion will be rented for Thursday evening, all day Friday and Saturday and Sunday morning.
